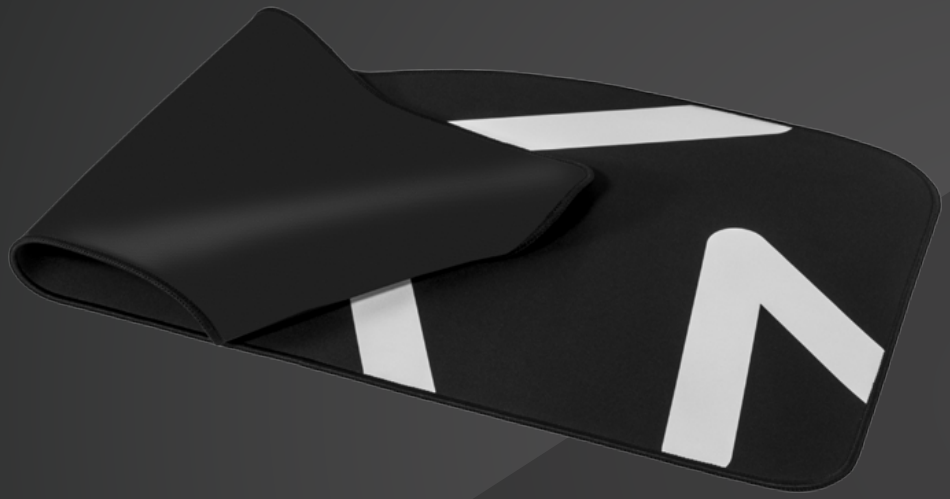
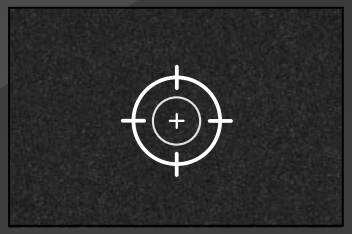
AIM
E-SPORTS MOUSEPAD





GAMING XL MOUSEPAD

AIM has created a mouse pad specially designed for e-sports and professional gaming. Made in XL size, for keyboard and mouse, this mouse pad completely covers the desktop offering an extended size for the mouse area.

The AIM mouse pad has a larger area for the mouse in order to offers great freedom of movement and comfort in the most intense gaming sessions. Improve your aim and play without any movements limit.

This mouse pad offers a great sliding for your mouse, ensuring maximum grip and control in your game to compete at a professional level. The advanced fabric matrix surface of the AIM mouse pad ensures superior mouse smoothness and extreme precision optimized for the most advanced optical and laser mice.

MAXIMUM GRIP AND COMFORT

The AIM non-slip mouse pad offers maximum comfort for the wrist and hand thanks to its natural rubber base of high security of grip. Extend training sessions with this comfortable mouse pad and compete without worrying about unwanted movement of your keyboard and mouse.

The AIM rug, equipped with reinforced edges that offer superior durability, is able to follow extreme game sessions.

What's your AIM? #gamelikeapro
