

Philips

Wall light

- Galax
- matt chrome
- LED

45591/17/16

Think Ledino, think design

Clean and simple in design, the Philips Ledino Galax wall light washes walls up and down with plenty of beautiful warm white light. The sleek square shape blends in with understated elegance.

Benefits

Sustainable light solutions

- High quality LED light
- Warm white light
- Energy saving
- Long operating life of up to 15 years

Special characteristics

- On/off switch on article

PHILIPS

Features

High quality LED light

The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Long operating life

A light source you can trust. The integrated LEDs used in this Philips LED lamp will last up to 15,000 hours (which equals 15 years on the basis of an average use of 3 hours/day with at least 13,000 on/off switching cycles). It feels so good to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambience in your home.

On/off switch on article

With the button discreetly integrated into the lamp, you can easily switch the light on and off.

Specifications
