- Steam output of up to 45 g/min for better crease removal
- Vertical steam for crease removal in hanging fabrics

Long lasting performance
- Superior anti-scratch SteamGlide soleplate
- Easy-to-use calc-clean for long-lasting steam performance
- Tested cord for maximum durability and safety

Comfortable ironing
- Drip-stop system keeps your garments spotless while ironing
- Comfortable handle with texturing for easy grip

PHILIPS

Steam iron
2400 W 45 g/min continuous steam, 160g steam boost, SteamGlide soleplate

GC2995/30

Highlights

2400 W for quick heat up

2400 W for quick heat up and powerful performance

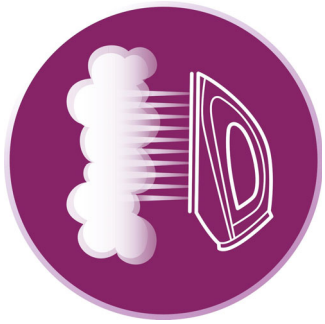
Steam boost up to 160 g

The iron's 160 g steam boost penetrates deeper into the fabric to easily remove stubborn creases.

Steam up to 45 g/min

Continuous steam output of up to 45 g/min gives you the perfect amount of steam to efficiently remove all creases.

Vertical steam



This Philips iron has a vertical steam function, for crease removal in hanging fabrics.

SteamGlide soleplate

Our exclusive SteamGlide soleplate moves smoothly over any fabric. A durable, 5-layer coating - including anti-corrosive base - makes it last longer. Non-stick, scratch-resistant and easy to keep clean.

Built-in calc-clean slider

This steam iron can be operated with normal tap water, and the built-in calc clean slider makes it easy to remove any built-up scale from your iron. To maintain the performance of your Philips steam iron, you should use this scale clean function once a month when using normal tap water.

Quality-tested cord

Philips cord for steam irons has been tested under rigorous quality measures to provide maximum durability and safety.

Drip-stop system

The Drip Stop system of your Philips steam iron lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

Comfortable handle

The texturing on the handle of the iron ensures a comfortable and ergonomic grip, so that your hand fits well and does not slip during ironing.
