- Triple anti-calc filter for a clean cup of water
- Cool wall for a safe touch

Highlights

Illuminated light ring

Blue light ring illuminates the base of the kettle, giving it an even more distinguished look and clear indication whether the kettle is switched on.

Spring lid

Spring lid with large opening for easy filling and cleaning, also avoiding contact with steam.

Ergonomic handle for any hand

Ergonomic handle comfortably fitting any hand, for an easy grip.

Cord winder for easy storage

The cord can be wrapped around the base, so that the kettle is easy to place in your kitchen.

Cordless 360° pirouette base

Cordless 360° pirouette base for easy lifting and placing.

Bell rings when water is ready

Bell sounds when your water has reached boiling point.

Multi safety system

Multi safety system against boil-dry, with auto switch-off when ready

Water level indicators

Easy-to-read water level indicators on both sides of the Philips electric kettle for left- and right-handed use.

Flat heating element

The stainless steel concealed element ensures fast boiling and easy cleaning.
