S5672/26

Clean & close, Fast shave

Protects 10X better versus a regular blade*

The Shaver Series 5000 adds speed to your morning routine with a fast, MultiPrecision Blade System and fully washable heads.

A comfortable and close end result
- Rounded profile of heads designed to protect skin
- Get a comfortable dry or refreshing wet shave with Aquatec
- Blades raise then cut long and short hairs for a fast shave
- Heads flex in 5 directions for a fast close shave

A comfortable shave
- Shave through dense parts of beard with 20% more power

Easy to use
- 60 minutes of cordless shaving
- 1-hour charging time
- 3-level battery and travel lock Indicators
- Shaver can be rinsed clean under the tap

Get the most out of your shaver
- Click-on trimmer for perfect mustache and sideburn trimming
- Keep your shaver like new with SmartClean

PHILIPS

Wet and dry electric shaver
MultiPrecision Blade System 5-direction Flex Heads, SmartClick precision trimmer, SmartClean System

S5672/26

Highlights

Skin Protection System

Shave close without nicks and cuts. Our MultiPrecision Blade System with rounded head profile glides smoothly across, while protecting your skin.

MultiPrecision Blade System

Get a shave that's fast and close. Our MultiPrecision Blade System raises and cuts all hairs and remaining stubble – all in a few strokes.

Aquatec Wet & Dry

Choose how you prefer to shave. With the Aquatec Wet & Dry seal, you can opt for a quick yet comfortable dry shave. Or you can shave wet – with gel or foam – even under the shower.

5-direction Flex Heads

5-direction Flex Heads with 5 independent movements ensure close skin contact for a fast and close shave even on neck and jaw line.

Turbo+ mode

Shave even faster through dense parts of your beard with the 20% extra power boost you get by activating Turbo+ mode.

One touch open

Simply pop the heads open, and rinse thoroughly under the tap.
