SimplyWorks For iPad

Switch 125

The SimplyWorks Switch 125 is a low profile, large diameter wireless switch that can be used with any of the SimplyWorks Receivers to give switch, mouse or keyboard functions.

The large diameter of the SimplyWorks Swicth 125 measures 125mm in diameter and is designed so that the switch will operate across the whole area, with minimal operating force.

The SimplyWorks Switch 125 is available in four bold eye catching colours and features industry standard fixing holes for quick and easy mounting of the device.

Part Code: A-NS-S125
