Enjoy long evenings outside with a portable light

This Philips portable lantern is a very versatile outdoor light. It creates the perfect mood for your outdoor space but can also be used in a more functional way. It is weatherproof and dimmable with long-lasting LED technology.

Enjoy your outdoor life

- Powerful light
- Dimmable light
- Candle mode
- USB chargeable
- Weather-proof IP44

Highlights

Powerful light
This Philips portable lantern provides powerful warm white light up to 350 lumen. This make the ideal lamp to read outside, light up the barbecue, finish a job in the garden and many other outdoor activities.

Dimmable light
The portable lantern can be dimmed by simply pressing and holding the button. This way you can easily create the perfect mood for your outdoor space

Candle mode
Want to create a unique ambience outdoors that is both decorative and enchanting? You can also turn the portable lantern into candle mode. Then it gives a warm glow and dynamic flicker.

USB chargeable
The portable lantern can be easily charged with any compatible USB. The USB cable is included.

Weather-proof IP44
This portable lantern is specially designed for outdoor use and is water-resistant.
