Decorate your home with light

Bring a natural feel to your room with this Philips myLiving Twirl LED ceiling light. It casts out a diffused cool light to illuminate every corner of your room and can be used on both ceilings and walls.

Benefits

Sustainable light solutions

- High quality LED light
- Cool white light
- Energy saving

Special characteristics

- Suitable for wall and ceiling installation

Features

High quality LED light

The LED technology, integrated into this Philips lamp, is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your home.

Cool white light

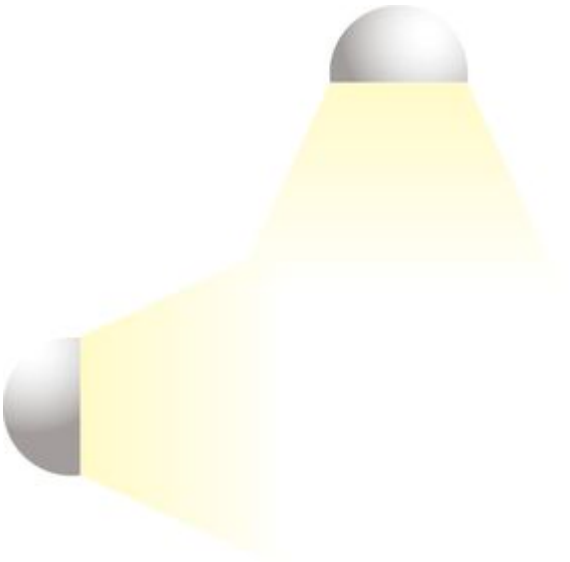
Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips light offers cool white light that keeps you energised.

PHILIPS

Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Wall and ceiling installation



Install this lamp as a wall light or ceiling light, just the way you like it.
