SHG8000/10

Pro Gaming

Hear your enemies coming

This Philips SHG8000/10 pro gaming headset delivers true clarity so you can hear each footstep via finely tuned 40-mm drivers. It provides perfect fit and absolute comfort for enduring missions. It comes with intuitive on-ear-can controls.

Benefits

Powerful sound, hear your enemies coming

- Finely tuned 40 mm drivers deliver true clarity

Absolute comfort for enduring missions

- Spring loaded inner headband auto-adjust for maximum comfort
- Leatherette cushions for advanced gaming comfort
- Over-ear lightweight design for extended gaming comfort

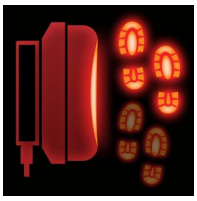

Mission ready

- 360-degree microphone picks up all your commands
- Mute and volume controls on the ear-cans for quick adjustments
- Retractable microphone hides inside the ear can

PHILIPS

Features

Finely tuned 40 mm drivers

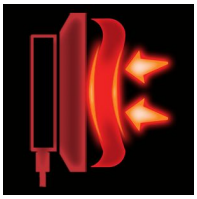

Finely tuned 40 mm neodymium drivers in a semi-open construction deliver true clarity so you can hear each footstep.

Auto-adjust inner headband

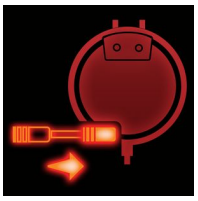

The auto-adjust headband is spring loaded for maximum comfort.

Leatherette cushions

The over-ear semi-open design with leatherette cushions of these Philips headphones delivers hours of gaming comfort, yet does not heat up your ears. The auto-adjustable lightweight inner headband ensures a perfect comfortable fit.

360-degree microphone

Don't lose valuable time adjusting your microphone during the game: the 360-degree microphone picks up all your commands and can be retracted into the ear can when not in use.

Controls on the ear cans

The mute and volume controls are placed on the ear cans for easier and intuitive control: turn the volume up or down on your right ear can. Switch the mic on or off on your left ear can.
