RI8323/01

- Gran Gaggia
- Style
- Black

Compact design and professional performance

With the new Crema Perfetta filter holder

- 15 bar pressure for full Espresso taste
- Cup plate
- Coffee-pod compatible
- Pressurised filter holder for perfect crema
- Rotating classic milk frother for hassle-free frothing

Highlights

15 Bar

The 15-bar pressure of your Gaggia coffee machine will make sure you always get the authentic Espresso taste.

Cup plate

The cup plate on top of the Espresso machine makes it easy to always have a cup handy.

Coffee-pod compatible

Our Gaggia manual machines come with a coffee filter for 1 or 2 cups of ground coffee and a special filter for "ESE" (easy-serve Espresso) pods. These ESE pods are perfectly portioned and make it easier to operate a manual Espresso machine.

Pressurised filter holder

The pressurised filter holder on your Gaggia machine will create an Espresso with the perfect Crema.

Rotating classic milk frother

The classic milk frother on this Gaggia Espresso machine, traditionally called a "Pannarello", turns milk into gorgeous milk froth within seconds for a Cappuccino, a Latte Macchiato and more. It also delivers hot water for tea and can be easily rotated for hassle-free frothing.
