PHILIPS

AVENT

Digital thermometer set

Baby monitors

SCH540/00

# Gentle and accurate

## Combining a digital and a soother thermometer.

Helping you to get a measurement of your baby's temperature, without upsetting it. The soother thermometer SCH540/00 uses the same shield and teat as the AVENT Freeflow soother for easy transition from soother to temperature measurement.

**Comfort for your child**
- Choice to adapt temperature measurement method to suit baby
- Soft, flexible tip digital thermometer
- Specially designed pacifier thermometer

**Fast and reliable digital temperature readings**
- Clear measurement displays and battery status indicators
- Battery low indicator

**Convenient for you and your baby**
- Includes AVENT Freeflow Pacifier
