Philips
Portable Cassette Player

AQ6401/00Z

Great sound, great look

This portable cassette player is ultra compact and ultra cool-looking. It has stereo and bass boost to give you great sound. The great design is so sharp you'll want to accessorise yourself with it!

Benefits

Enriched bass sound
- Dynamic Bass Boost for deep and dramatic sound
- Stereo earphone included

Slim, compact design
- Less than 35 mm in depth
- High-quality finish

Easy to use
- Autostop cassette deck
- Detachable belt clip for handsfree music wherever you go

Features

Dynamic Bass Boost

Dynamic Bass Boost maximises your music enjoyment by emphasising the bass content of the music throughout the range of volume settings - from low to high – at the touch of a button! Bottom-end bass frequencies usually get lost when the volume is set at a low level. To counteract this, Dynamic Bass Boost can be switched on to boost bass levels, so you can enjoy consistent sound even when you turn down the volume.

Stereo earphone included

Less than 35 mm in depth

PHILIPS

High-quality finish

Detachable belt clip

Autostop cassette deck
