

Philips Pressurised ironing system

GC6310/03

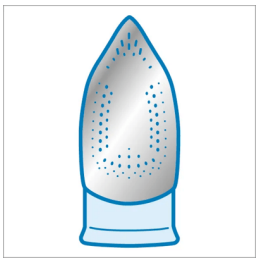
Simple, fast and effective

Double your ironing speed with pressurised steam

- Smooth-gliding, durable stainless-steel soleplate
- Up to 3.5 bars of steam pressure for fast ironing
- Continuous steam up to 85 g/min
- Vertical steam for crease removal in hanging fabrics

Highlights

Stainless-steel soleplate



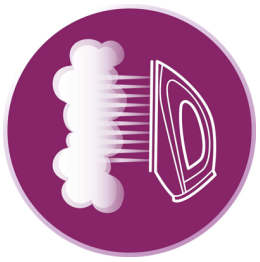
Up to 3.5 bars steam pressure

Double your ironing speed with pressurised steam. Pressurised steam penetrates deep into fabrics, making your ironing fast and easy, even on difficult fabrics.

Continuous steam

The more steam, the faster the ironing. The unique technology used in the Philips steam generator iron produces powerful steam, making ironing quicker, easier and better.

Vertical Steam



This Philips iron has a vertical steam function, for crease removal in hanging fabrics.

Specifications

Easy to use
