- Steam output up to 55g/min for faster crease removal

### Comfortable ironing
- Quick Calc Release in 15s for long-lasting steam performance
- SteamGlide Plus soleplate for ultimate easy gliding
- Automatic shut-off when the iron is left unattended

PHILIPS

Steam Iron with OptimalTEMP technology
2200W 55 g/min continuous steam, 260g steam boost, SteamGlide Plus soleplate

GC5034/28

# Highlights

### OptimalTEMP technology

Thanks to OptimalTEMP technology, we guarantee this iron will never cause burns to any ironable fabric and you can iron everything from jeans to silk, from linen to cashmere safely, in any order, without waiting for the temperature to adjust or pre-sorting clothes. Philips steam irons with OptimalTEMP makes your ironing easier and faster and has been tested by independent textile experts .

### DynamiQ steam mode

Thanks to DynamiQ sensor, the most advanced motion sensor used in steam irons knows precisely how your iron is moving and when its standing still. DynamiQ steam mode releases automatically perfect amount of steam when its needed during your ironing to get the ironing results faster. The steam automatically starts when your iron is moving and stops when you don't move for ultimate convenience and effortless ironing.

### Convenient steam modes

Choose from multiple steam modes. DynamiQ mode delivers the perfect amount of steam automatically when you need it, Max mode blasts stubborn creases with powerful continuous steam, ECO steam mode with minimum constant steam saves up to 20% energy and OFF steam enables you switch off the steam

### 2200 W for quick heat-up

Delivers a fast warm-up and powerful performance to get your ironing done quickly

### Steam boost up to 260 g

Penetrates deeper into fabrics to easily remove stubborn creases.

### Turbo Steam power

Our built-in Turbo Steam pump delivers up to 50% more powerful continuous steam so creases disappear even quicker.

### Continuous steam up to 55g/min

Strong and consistent steam output penetrates up to 50% more steam through fabric to remove creases faster.

### Quick Calc Release in 15 secs

Improved steam generation ensures calc breaks up easily and now collects up to 5x more calc* in container. With Quick Calc Release, the container is easily removed and emptied in under 15 seconds for long-lasting steam performance every day .

Steam Iron with OptimalTEMP technology
2200W 55 g/min continuous steam, 260g steam boost, SteamGlide Plus soleplate

GC5034/28

# Specifications

### Fast crease removal
- Continuous steam: 55 g/min
- Power: 2200 W
- Steam boost: 260 g
- Vertical steam

### Easy to use
- Soleplate name: SteamGlide Plus
- Water tank capacity: 350 ml
- Extra stable heel rest
- Power cord length: 2.5 m
- Drip stop
- Extra large filling hole
- Auto shut-off

### Scale management
- Descaling and cleaning: Quick Calc Release

### Size and weight
- Product dimensions (WxHxL): 33,3 x 17,5 x 13,5 cm

### Guarantee
- 2 year worldwide guarantee

### Green efficiency
- Energy saving mode
- User manual: 100% recycled paper
