A simple way to beautify your home

Decorative bulbs enhance your home atmosphere

Philips LED frosted candles provide a soft, diffuse light effect and an exceptionally long life. With a pure and elegant design, this light bulb is the perfect match for chandelier fixtures with small (E14) fittings.

Soft warm white light
- True incandescent-like warm white light (2700 K)
- High colour rendering (CRI > 80) for vivid colours
- Frosted glass for diffused light effect

Pure and elegant design
- Smooth surface and high-quality finishing

Instant brightness
- Instant light when switched on

Sustainable choice
- Lasts up to 20 years
- Very low energy consumption; saving at least 80%

PHILIPS

Candle
1.7 W (15 W) E14 cap, Warm white

8718291677185

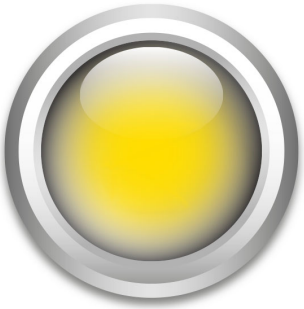
Highlights

Warm white light (2700 K)
Light can have different colour temperatures, indicated in units called Kelvin (K). Bulbs with a low Kelvin value produce a warm, cosier light, while those with a higher Kelvin value produce a cool, more energising light.

Instant light when switched on

No need to wait: Philips LED light bulbs provide their full level of brightness immediately upon switching on.

Diffused light effect



With its frosted, elegant design and innovative LED technology, this decorative bulb provides a soft, diffused light effect to help you create your desired ambience.

High colour rendering (CRI>80)

The colour rendering index (CRI) is used to describe the effect of a light source on colour appearance.

Natural outdoor light has a CRI of 100 and is used as the standard of comparison for any other light source. The CRI of Philips LED light bulbs is always higher than 80, close to the sun's value, reflecting colours truly and naturally.

Very low energy consumption

By replacing traditional light bulbs with a Philips LED alternative, you will gain immediate, significant energy savings while contributing to a sustainable planet.

Lasts up to 20 years

With a lifetime of up to 20,000 hours, this Philips LED bulb will ensure your desired atmosphere for up to 20 years.*

Smooth surface
Shaped in a familiar way, this LED bulb offers all of the most recent innovations while maintaining the look and feel of a traditional bulb.

Specifications

Bulb characteristics
- Shape: Candle
- Cap/fitting: E14
- Voltage: 220-240 V
- Dimmable: No

Power consumption
- Wattage: 1.7 W
- Wattage equivalent: 15 W
- Energy efficiency label: A++
- Power consumption per 1000h: 2 kW·h

Light characteristics
- Light output: 136 lumen
- Application: Comfortable light
- Colour: Warm White
- Colour temperature: 2700 K
- Light effect/finish: Warm White
- Starting time: < 0.5 s
- Warm-up time to 60% light: Instant full light
- Colour consistency: 6 SDCM
- Colour rendering index (CRI): 80

Durability
- Number of switch cycles: 50000
- Lumen maintenance factor: 0.7
- Average life (at 3 hrs/day): 20 year(s)

Bulb dimensions
- Height: 101 mm
- Width: 35 mm

Other characteristics
- Mercury content: 0 mg
- Power factor: 0.6
- Lamp current: 45 mA

Rated values
- Rated power: 1.7.0 W
- Rated luminous flux: 136 lumen
- Rated lifetime: 20000 hour(s)

Issue date 2017-12-05
Version: 5.0.1
12 NC: 9290 002 49801
