NGS CARD READER MULTIREADER PRO

USB 2.0 CARD READER ALL IN 1

High speed memory card reader that works with all common used memory cards to transfer your pictures and videos to your computer

Thanks to its compact design, it´s easy to take with you everywhere you go.

NGS Multireader Pro admits all the image storage devices in the market, such as T-Flash, Micro SD, MMC, Compact Flash, IBM Micro Drive, XD Picture Card and many others.

It enables large amounts of data exchange between a PC and other electronic devices.

High speed USB 2.0 ensures quick access and transfer of files, NGS Multireader Pro is also equipped with a short, attached USB cable that can be stored into the cardreader.

"Plug and Play" installation, you just have to plug it in and start working.
