Highlights

Brilliant 65K color display
Your phone's main screen color display brings you incredibly colorful images and pictures.

Multi-person SMS
You can use multi-person SMS (Short Message Service) to send messages to several people at the same time simply by writing your message, selecting the recipients, and pushing "send."

MMS messaging
MMS (Multimedia Messaging Service) allows you to use your mobile phone to send and receive pictures, video, and audio files with your text messages.

MP3 ringtones
MP3 ringtones let you choose the sounds of your favorite songs for a personalized and rich audio experience just by selecting an MP3 file to set as your ringtone.
