PHILIPS

Steam iron
2400 W 40 g/min continuous steam, 160 g steam boost, SteamGlide soleplate

GC2997/46

Highlights

2400 W for quick heat up

2400 W for quick heat-up and powerful performance

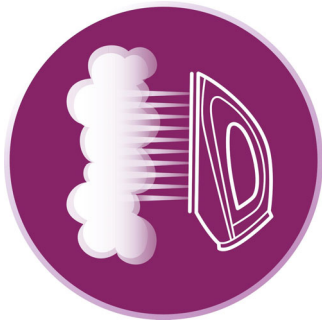
Steam boost up to 160 g

The iron's 160 g steam boost penetrates deeper into the fabric to easily remove stubborn creases.

Steam up to 40 g/min

Continuous steam output of up to 40 g/min gives you the perfect amount of steam to efficiently remove all creases.

Vertical steam



This Philips iron has a vertical steam function, for crease removal in hanging fabrics.

SteamGlide soleplate

Our exclusive SteamGlide soleplate moves smoothly over any fabric. A durable 5-layer coating - including an anti-corrosive base - makes it last longer. Non-stick, scratch-resistant and easy to keep clean.

Built-in calc-clean slider

This steam iron can be operated with normal tap water, and the built-in calc-clean slider makes it easy to remove any built-up scale from your iron. To maintain the performance of your Philips steam iron, you should use this scale clean function once a month when using normal tap water.

Quality-tested cord

The Philips cord for steam irons has been tested under rigorous quality measures to provide maximum durability and safety.

Automatic shut-off

The iron shuts off automatically when left unattended. If it is left on its heelrest it will switch off in 8 minutes. When left on the soleplate or on the side, it only takes 30 seconds before the iron shuts off.
