EPSON
P-6000/P-7000 MULTIMEDIA STORAGE VIEWER

The portable Epson P-6000 and Epson P-7000 Multimedia Storage Viewers are professional tools, ideal for photographers on the road who want to store, share and rate their images.

Epson Photo Fine Premia LCD technology, high capacity memory and low power consumption combine to give you a high performance photo partner.

The Epson P-6000 and P-7000 Multimedia Storage Viewers are sturdy, compact and portable – perfect for viewing, reviewing and rating your images out on a shoot, back in the studio or with friends and family.

Download, upload and back-up images with easy connectivity and support for JPEG and RAW formats. You can even prepare and print your photos quickly and easily using the included ad hoc RAW development.

Review, check and print directly through PictBridge without using a PC. You can even use the wide gamut display as a secondary USB monitor in Adobe® Photoshop.

- Store, view, rate and enjoy photos in superb colour
- Great quality with Epson Photo Fine Premia LCD technology
- RAW and JPEG support, with user-friendly media management software
- High capacity hard drives; 80 GB (Epson P-6000 Multimedia Storage Viewer) or 160 GB (Epson P-7000 Multimedia Storage Viewer)
- Print, index and check prints via PictBridge, without using a PC
- Optional Viewer Travel Pack (standard on the Epson P-7000 Multimedia Storage Viewer)
