Title for HyperX	HyperX Cloud Gaming Headset - Officially licensed by Sony Interactive Entertainment Europe for PS4™ Systems
Text Layer	The HyperX Cloud headset is officially licensed by Sony Interactive Entertainment Europe and designed for the PlayStation®4 systems. Built specifically for the PS4™ gamer, it provides immersive audio and outstanding comfort to keep you gaming into the night. HyperX Cloud was designed to be durable, featuring a sturdy aluminium frame and a two-year warranty ensure that your headset will hang just as tough as you can. Chat with your friends with the noise-cancelling microphone and use your superior communication to lead your squad to victory over your foes. The convenient in-line controls put the power to mute your mic and adjust your audio at your fingertips. If you're in the mood for music, or want to enjoy the lush sounds of your favourite epic single-player PS4™ games through headphones, just detach and store the mic.
Keywords	sony ps4 headset, ps4 headset, ps4 headphones, sony ps4 headphones, playstation 4 headset, playstation 4 headphones, ps4 headphone, sony headset, ps4 gaming headset, playstation headset, gaming headphones ps4, playstation headphones
Bullet Points	• For PlayStation®4 systems • Signature HyperX comfort • Durable aluminium frame • Immersive in-game audio • In-line audio control • Detachable noise-cancellation microphone • Two-year warranty
