EUX2245AOX Freezer

Low-energy cold storage from a top-performing freezer

With A++ energy efficiency rating, this upright freezer combines excellent performances with very low energy consumption.

Freezer providing instantly frozen goodness

The FastFreeze function freezes fresh foods faster so vitamins, texture, flavour and all healthy qualities are preserved better. That means this freezer assures you will get the most of your groceries.

The space to make every item visible in the freezer

When your upright freezer is crowded, it can be difficult to find what you need. With the SpacePlus ® freezer drawer, you get an at-a-glance overview of everything inside.
