LC140 14.4" Laptop Backpack

62620

Product Description

The LC140 Backpack is versatile and stylish day carry solution that gives university students the room they need to stash everything when they’re on the go. A convertible carry design makes switching from a traditional backpack to a single strap you can sling over your shoulder a breeze. There are padded sections for both a laptop and a tablet and quick access pockets are perfect for storing items you want to get to fast. And for those times when you need a little extra room, uncurl the roll top to expand the storage capacity for your accessories, snacks, drinks, or whatever else you need to help get through the day.

Features

- Convertible carry design so you can quickly go from double strap to single strap options
- Padded sections that hold up to a 14.4” laptop and 10” tablet
- Front quick access pockets
- Expandable accessory storage
- Padded comfort handle
