Replacement kit ready to use with two washable and reusable microfiber pads; and an Active calc filter to prolong the lifetime of your Philips SteamCleaner Active steam cleaner.

Benefits

Active calc filter

- Extend lifetime of your SteamCleaner Active

Washable and reusable microfiber pads

- Easy to change and attach

Features

Active calc filter

The SteamCleaner Active is specially developed to clean using tap water. Its Active Calc Filter decalcifies water automatically. We advise to replace the Active Calc Filter at least every 6 months to prevent calcification and enjoy great performance over lifetime. Easily exchange the filter located underneath the water tank container for extending the lifetime of your SteamActive steam cleaner.

Washable microfiber pads

2 washable and durable microfiber pads are included. The soft microfiber material gently loosens, lifts, and absorbs dust and dirt. Removing dirt
