PHILIPS

Features

For kids

This Philips and Disney light for your child's bedroom creates an environment which encourages children to indulge in what they enjoy most – fun and creativity! A place where your child can study, play and sleep accompanied by their favorite Disney character. This light is designed to be safe for your child.

Ideal for general illumination

This Philips and Disney light for your child's bedroom is the perfect centerpiece to create a pool of light. It provides the ideal light setting for your child's daily routines.

High quality LED light

The LED technology, integrated into this light, is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your kids room.

Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lights with a low Kelvin value produce a warm, more cozy light, while those with a higher Kelvin value produce a cool, more energizing light. This light offers warm white light for a cozy atmosphere.

Wall and ceiling installation

Install this fixture as a wall light or ceiling light, just the way you like it.
