PHILIPS

## Features

### For kids

This Philips and Disney light for your child's bedroom creates an environment which encourages children to indulge in what they enjoy most – fun and creativity! A place where your child can study, play and sleep accompanied by their favorite Disney character. This light is designed to be safe for your child.

### Ideal for general illumination

This Philips and Disney light for your child's bedroom is the perfect centerpiece to create a pool of light. It provides the ideal light setting for your child's daily routines.

### High quality LED light

The LED technology, integrated into this light, is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your kids room.

### Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lights with a low Kelvin value produce a warm, more cozy light, while those with a higher Kelvin value produce a cool, more energizing light. This light offers warm white light for a cozy atmosphere.

### Wall and ceiling installation

Install this fixture as a wall light or ceiling light, just the way you like it.
