

Headphones with mic

- High-resolution audio
- In-ear
- Ultra-soft silicone caps
- Flat cable

S1SB/00

High fidelity, premium quality

Wherever you go

Philips Fidelio S1 headphones are precisely engineered to deliver natural, balanced sound, revealing every detail as the artist intended. Amazing sound presented in a lightweight yet durable design for true comfort and pleasure on the go.

Benefits

Designed for precision

- High-resolution audio reproduces music in its purest form
- High-powered 13.5-mm neodymium drivers for exceptional sound
- Semi-closed back design for sound balance and bass extension
- Handpicked, tuned and tested drivers for a precise match
- Engineered metal housing reduces vibration and resonance

Listen in comfort

- Elasticised ring for in-ear stability and super-secure fit
- Ergonomic earphones fit perfectly while dispersing pressure
- Lightweight aluminium housing with refined brushed finish
- Ultra-soft silicone tips in 3 sizes for a custom, snug fit
- Comply™ Foam Tips for superb custom fit and noise isolation

Created for convenience

- Durable flat cable keeps your headphones tangle-free
- Switch between music and calls with in-line control and mic
- Protective pouch to store your headphones when not in use

PHILIPS

Features

13.5-mm neodymium drivers

Each speaker driver is carefully handpicked, tuned and tested before being paired to ensure delivery of the most balanced, natural sound. The 13.5-mm drivers utilise high-power neodymium magnets to deliver deep bass impact, transparent mid-range and refined high frequencies.

Handpicked, tuned and tested

Each speaker driver is specially tested and handpicked for ideal stereo pairs, together delivering superbly deep bass, transparent mid-range and refined high frequencies.

Elasticised ring

Engineered metal housing

The metal housing is meticulously engineered to reduce resonance and vibration, delivering authentically precise sound marked by incredible sound detail.

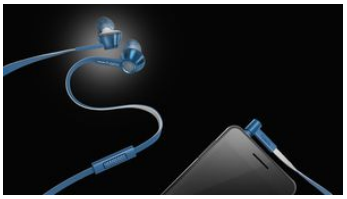
Ergonomic earphones

The Fidelio S1 earphones are ergonomically shaped to fit your ear's natural curve, all the while dispersing pressure. Their lightweight aluminium construction and superior materials ensure long-lasting comfort, allowing you to experience true comfort as you enjoy your music to the fullest.

Lightweight aluminium housing

Soft and durable flat cable

In-line control and mic



The Fidelio S1 in-ear headphones feature an in-line remote and microphone so you can switch easily between your music and calls. Stay connected with important people – and your music, always.

3 sizes of soft silicone tips

The Fidelio S1 in-ear headphones come with 3 pairs of acoustically sealed silicone tips to ensure a snug fit as well as longer wearing comfort.

Comply™ Foam Tips

Enhance your listening experience with the supplied Comply™ Foam Tips. The tips provide a stay-in-place fit coupled with amazing all-day comfort, while providing noise insulation, allowing you to tune out from the world and into your music.
