Philips PowerPro Active
Bagless vacuum cleaner
with PowerCyclone 4
Technology

1100W
PowerCyclone 4
EPA 10 filter
Animal+

FC8637/31

Always the highest suction power*

With PowerCyclone 4 Technology

The new Philips PowerPro Active bagless vacuum cleaner delivers outstanding cleaning results thanks to the PowerCyclone 4 technology. The advance dust container is easy to empty and helps avoiding dust clouds.

Powerful cleaning performance
- PowerCyclone 4 technology separates dust and air in one go

Outstanding results on carpets and furniture
- Turbo Brush nozzle removes 25% more hairs and dust

Clean air in your home
- The EPA filter catches microscopic vermin causing allergy

Ergonomic grip for far reach
- Reach all corners thanks to the extra long ergonomic grip

Easy to clean
- Advanced dust container design for easy to emptying

Bagless vacuum cleaner
1100W PowerCyclone 4, EPA 10 filter, Animal+

FC8637/31

Highlights

PowerCyclone 4 Technology

PowerCyclone 4 technology maximizes airflow and performance by separating dirt from air in one go. It delivers remarkable cleaning results through highly efficient steps: 1) Air enters fast into the PowerCyclone thanks to the straight and smooth air inlet. 2) The curved airpass quickly accelerates the air upwards in the cyclonic chamber to separate the dust from the air.

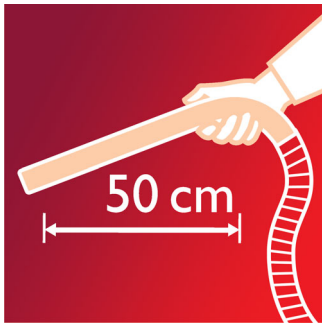
Turbo Brush nozzle

The Turbo Brush nozzle allows deep cleaning of carpets and quick hair and fluff removal from carpets. The rotating brush actively removes small dust particles and hairs, resulting in a 25% better cleaning performance on carpets. The wheels of the nozzle prevent damage in case of use on hard-floors.

EPA filtyer system

The pleated EPA filter has a large filter surface and good filtration performance. In combination with the cyclonic airflow, this prevents it from cloggin fast and gives you better and longer-lasting filtration results.

Extra long ergonomic grip



This ergonomically shaped grip is convenient in use. Its extra long design gives you farther reach, so you can easily clean hard to reach places.

Easy to empty dust container

The dust container is perfectly designed to dispose dust without creating a dust cloud. Thanks to its unique shape and smooth surface, dust is collected at one side of the container and evenly glides into the dust bin.

Specifications

Design
- Color: Beluga metallic

Performance
- Input power (IEC): 1100 W
- Suction power (max): 370 W
- Vacuum (max): 33 kPa
- Airflow (max): 37 l/s
- Noise level (Lc IEC): 80 dB

Filtration
- Dust capacity: 1.7 L
- Exhaust filter: Microfilter
- Motor filter: EPA 10 washable filter

Usability
- Action radius: 9 m
- Cord length: 6 m
- Tube type: Aluminum telescopic tube
- Carrying handle: Top and front
- Tube coupling: Conical
- Wheel type: Rubber
- Power control: Electronic on appliance
- Special features: Remote control (Infra-red)

Nozzles and accessories
- Standard nozzle: Multi-purpose nozzle
- Additional nozzle: Full turbo brush
- Accessories included: Crevice tool, Small nozzle
- Accessory storage: On tubeclip

Sustainability
- Packaging: > 90% recycled materials
- User manual: 100% recycled paper

Weight and dimensions
- Weight of product: 6 kg
- Dimensions of product (LxWxH): 473x304x301 mm

Issue date 2017-06-14
