PHILIPS

Features

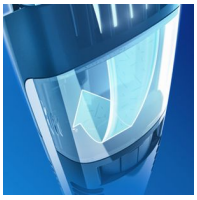
18 secured length settings

Select and locks your desired length within a versatile range of possible lengths.

Integrated vacuum system

The integrated vacuum mechanism absorbs cut-off hairs during use and gives you a cleaner washbasin after use.

Clear view hair chamber



Transparent hair chamber makes it easy to see when the chamber needs to be emptied.

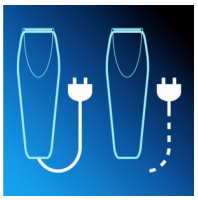
Powerful Lithium-Ion battery

This product has a powerful lithium-ion battery with quick charge so you can charge the product in 8 hours for 50 minutes use.

Contour following comb

Flexing guide comb that follows every curve of your face for getting an even trim in an easy and comfortable way.

Corded and cordless use



Use your electric beard trimmer corded or cordless with the rechargeable battery for maximum power and freedom.

Maintenance free blades

The blades stay sharp and need no oiling, so your product is always ready for use.
