Highlights

6 child-safe outlets
Safety slides provide a protective barrier that block the outlet so small objects cannot get in. Keeps children safer.

1 grounded outlet into 6
A power multiplier that expands 1 grounded outlet in to 6 grounded outlets by plugging directly into the wall

Master on/off switch
This master switch controls power to the outlets on the power multiplier

Protection indicator light
This LED alert lights up to indicate the surge protector is working properly.

Right angle plug
This flat design allows for more positioning options and lets furniture sit more closely to the wall.
