# TTA-01118-GS
# 2-Slice 750 W Toaster

EAN 6221127474947

TOASTER

- **750 W toaster with 7 browning levels for custom results**
- **One-touch defrost and reheat functions for convenience**
- **Fits standard bread, bagels, and pastries (100 × 100 mm slots)**
- **High-lift lever for safe removal and easy handling**
- **Slide-out crumb tray and cord storage for quick cleanup**

Start your mornings with consistent, golden-brown perfection using the Tornado TTA-01118-GS 2-Slice Toaster. Its efficient 750 W heating element delivers quick, even toasting—ready in as little as 75 seconds. The 7-level browning dial lets you fine-tune results from lightly toasted to deeply crisped, while one-touch defrost and reheat functions ensure frozen bread and pastries come out just right.
Standard 100 × 100 mm slots fit most bread types, including square slices, bagels, and medium-cut artisan loaves. A high-lift lever makes toast removal safe and easy, keeping fingers away from the heat. Cleanup is effortless thanks to a slide-out crumb tray, cord storage, and a compact 0.94 kg body that's perfect for smaller kitchens or breakfast nooks. Whether you're prepping breakfast for one or setting up your first kitchen, the TTA-01118-GS delivers reliable toasting with modern simplicity.
