Technical Specs

More product information

- A slip-in album allows you to archive your photos clearly and quickly, with little effort
- Handy and straightforward photo archiving: a quick way to create a photo album
- Simply slide the pictures into the insert pockets from the side
- Film is separated by kraft paper, preventing the photos from sticking together
- Two photos per film pocket: excellent protection from soiling, fingerprints and bending
- Ideal for everyone who wants to store their photos tidily and safely without any fuss
- Sophisticated notebook design with elasticated strap closure
- Laminated art print: resilient, long-lasting binding that is easy to wipe clean
