PHILIPS

light output 70 lumen

With the LivingColors Mini you can have a good impact on ambience thanks to the light output of 70 lumen. Just place the LivingColors Mini wherever you like and point it towards a light-coloured wall to get the full experience.

nice diffused light effect

All the different colours of the Philips LivingColors LED lamp blend naturally into your interior because of the diffused light effect.

Easy on product control

By touching and swiping the colour circle, you can very easily select any colour you like.
