# Highlights

### Car manufacturers' choice

For 100 years, Philips has been at the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting.

### Designed for multiple usage

Which 12V lamp for which function? Philips Automotive offering includes all car specific functions: high beam, low beam, front fog, front indicator, side indicator, rear indicator, stop light, reversing light, rear fog light, licence plate lights, rear position/parking light, interior lights.

### ECE homologation

Philips automotive products and services are considered best in class in the Original Equipment Manufacturer market and the aftermarket. Manufactured from high-quality products and tested to the highest specifications, our products are designed to maximise the safety and comfort of our customers' driving experience. Our entire product range is thoroughly tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000) to the highest ECE requirements. Put simply, this is quality you can trust.

# Specifications

### Marketing specifications

Expected benefits: More light

### Product description

Application: Rear fog light, Stop light, Rear headlight
Base: BAZ15d
Designation: P21/4W
ECE certification
Range: Vision
Technology: Conventional
Type: P21/4W

### Lifetime

Life time: 250 hrs

### Light characteristics

Lumens: 440 lm

### Electrical characteristics

Wattage: 4, 21 W
Voltage: 12 V

### Ordering information

Ordering code: 40485530

### Packaging Data

Packaging type: B2
EAN1: 8711500404855
EAN3: 8711500471017

### Packed product information

Width: 2.7 cm
Height: 12.9 cm
Net weight per piece: 10 g
Gross weight per piece: 17.3 g
Length: 6.7 cm
Pack Quantity: 2
MOQ (for professionals): 20

### Outer pack information

Length: 15 cm
Width: 13.5 cm
Height: 13 cm
Gross weight per piece: 0.346 kg
