• Vertical Height Adjustment: Ensures optimal positioning.
• Toolless Tilt: Allows effortless adjustment.
• D-Ring Handle: Ensures quick and easy maneuverability.
• Cable Management: Keeps cables organized and tidy.

## DESCRIPTION

This Aluminum TV Floor Stand is designed to support screens from 37" to 86", with a maximum load capacity of 50 kg and VESA compatibility up to 600x400. Its lightweight aluminum construction offers a sleek and elegant look while maintaining durability. The stand features versatile portrait or landscape viewing with 90° screen rotation, making it adaptable to different presentation needs. The height-adjustable equipment shelf provides convenient storage for accessories, while the tool-less tilt adjustment (+5°/-10°) allows effortless screen positioning.
Equipped with four lockable casters and a D-ring handle, this stand ensures easy movement and secure placement. Vertical height adjustment guarantees optimal viewing comfort, and integrated cable management keeps all cables organized and tidy, making it ideal for meetings, presentations, or exhibitions.
