- Adjustable light intensity with dimmer switch
- Energy saving
- High quality LED light

Special characteristics
- The height of the pendant is easy adjustable

Designed for your kids' room
- For kids

Designed for your living room and bedroom
- Warm white light

Highlights

Dimmable

Adjust the light intensity of the Philips LED lights with a dimmer switch (not included). This makes this light ideal for creating an ambience for any occasion, whether a cosy meal for two or chilling out with family and friends in your living room. Philips tested a number of wall dimmers that have proved to be compliant with our LED lights. A list of compatible dimmers is available in the downloads and support section.

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

High quality LED light

The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

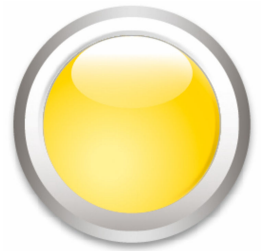
Adjustable height

The height of this Philips pendant light can always be adjusted by raising or lowering the bar in the middle of the wires.

For kids

This Philips child's room lamp creates an environment that encourages children to indulge in what they enjoy most: fun and creativity! But this lamp is also designed to be safe for your child: it is cool to touch and robust, and uses non-toxic paint.

Warm white light



Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Specifications

Design and finishing

- Colour: multi colour
- Material: wood

Extra feature/accessory incl.

- Adjustable height: Yes
- LED lamp(s) included: Yes

Miscellaneous

- Especially designed for: Kids' room
- Style: Expressive
