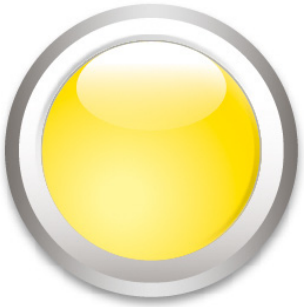
Highlights

Warm white light



Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Philips bulb always included

High-quality Philips EcoLamp energy-efficient light bulbs are included in the box for achieving the best light effect.

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

IP44 - weather-proof

This Philips outdoor light is especially designed for humid outdoor environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This outdoor light is designed with IP44: it is protected against splashing water. This product is most commonly used and ideal for general outdoor use.

Specifications

Design and finishing
- Material: synthetics
- Colour: black

Extra feature/accessory incl.
- Weatherproof

Product dimensions and weight
- Height: 44.8 cm
- Length: 24 cm
- Width: 24 cm
- Net weight: 1.060 kg

Technical specifications
- Mains power: Range 220 V–240 V, 50-60 Hz
- Bulb technology: fluorescent, 230 V
- Number of bulbs: 1
- Fitting/cap: E27
- Wattage bulb included: 23 W
- Maximum wattage replacement bulb: 23 W
- Light colour: warm white
- Lamp lifetime up to: 10,000 hrs
- Fixture dimmable: No
- LED: No
- Built-in LED: NO
- Energy class included light source: A
- Fixture is compatible with bulb(s) of class: A+ to E
- IP code: IP44, protection against objects bigger than 1 mm, protection from splashed water
- Class of protection: I - earthed
- Light source equivalent to traditional bulb of: 110 W
- Lumen output bulb included: 1570 lm
