Highlights

FM radio on the go
Enjoy the convenience of tuning in to FM radio the way you want - play it out loud through the phone's speaker or via your headset. Just plug in the headset, which acts as an antenna and select your listening option in the menu.

Stylishly compact
Make a bold statement and express yourself with your Philips mobile phone that comes with a trendy design and sleek finish. Be a trend-setter, not a follower!

Built-in flashlight
Why grope around in the dark for your keys or the light switch? Just rely on the handy built-in flashlight in your mobile phone to shed light on any situation.

2.4" QVGA display
Bright display 2.4 inches QVGA, resolution 240x320 pixels.

Dual-SIM
The phone supports the use of two SIM cards. This is a useful option that allows you to choose the most convenient rates and save on mobile communication.

Digital still camera
The integrated digital camera allows you to capture precious moments of your life.
