Extras in life

- Quality shots with 8 megapixel autofocus camera with flash
- 16GB built-in memory and 2GB RAM for excellent experience
- 5.5" HD IPS display for rich viewing details

PHILIPS

Highlights

Fashion-forward design

When you want a fashion-forward phone to show the world your style, the sleek, modern design and premium finish set this phone apart from the ordinary.

Dual SIM

Organize your life better and keep your contacts separate by using 2 different phone numbers. With Dual SIM, you don't need to carry 2 phones around.

Dual 4G (TDD-LTE and FDD-LTE)

Your Philips mobile phone incorporatesdual-mode 4G radio, that allows you to use mobile internet on a blazing speeds both in TDD-LTE and FDD-LTE networks. Now you can enjoy wider LTE coverage with just one phone.

8 MPixel AF camera with flash

Shoot like a pro on the go with the 8 megapixel autofocus camera on your Philips mobile phone. Capture life's fleeting moments - big or small - in crystal-clear quality and beam them to friends and family with pride. And a built-in flash means that you can take great photos even in dim lighting conditions -so you won't miss a memorable shot, night or day.

3000mAh Lithium Battery

Your Philips mobile phone comes packed with a standout 3000mAh lithium battery for seamless and long lasting connections on the go. With such exceptional battery performance, you can banish nagging worries about missing important calls from both your professional and personal contacts. And when both work and family matters have been tackled to your satisfaction, you can hone in on transcendent gaming and surfing experiences on a single charge, thanks to the phone's best-in-class power technology.

5.5" HD IPS display

Your Philips mobile phone comes endowed with an awesome 5.5" high definition display that brings you truly vibrant colors and razor-sharp detail. The IPS technology ensures great viewing from any angle, while the vibrant colors and vivid images render a full-bodied viewing experience. To top it off, navigating on the wide screen is also swift and effortless. Whether you are surfing your favorite websites or viewing your latest snapshots and videos, the 5.5" screen gives you an unbeatable visual treat while on the go.

IR control

Empowered by the built-in IR function, your Philips mobile can control over 4,000 brands of home appliances and 200,000 remote control models through the remote control app that comes with the phone. You can now control your TV, air-conditioner, DVD, lights with our product and say goodbye to the most remote controls at home.
