NGS BLUETOOTH HEADPHONES ARTICA LUST BLACK

BLUETOOTH HEADPHONE-LINE IN -HANDS FREE

An elegant stereo wireless headphones with Bluetooth technology. Take total control of your music playback and enjoy receiving phone calls with its built-in hands free function. NGS Artica Lust offers high sound quality and an exclusive design.

Feel the freedom of listening to music wireless thanks to the original circumaural headsets NGS Artica Lust. Easy to pair with your favorite Bluetooth device, users can enjoy **up to 10 hours of uninterrupted music** at a maximum distance of 10 meters.

Thanks to **A2DP technology**, you will handle directly with the media player buttons on the handset can change songs (forward/ reverse) pause playback and volume up and down. Furthermore, due to the AVRCP profile, if you are using the phone and you get a call the music stops and you can answer it without removing the phone from the pocket (thanks to the **incorporated microphone**).

One of the main features is the **audio cable 3.5 mm jack** that allows you to connect to any player (Mp3, phone, tablet, PC, etc.) even when the battery is fully discharged.

It is equipped with a **micro-USB connection** to recharge the 300 mAh battery.

NGS Artica Lust outstands for its **sound quality thanks to its 64 Ohm impedance** and 20 Hz - 20 KHz frequency response.

Its impressive design won't go unnoticed as it is made of a metallic body that combines silver with black color.

Finally, you will obtain **maximum comfort thanks to its adjustable headband and cushioned ear pads** specially designed to enjoy long sessions of your favorite music.
