Designed in Europe, this lamp has a unique design signature to help you create a contemporary outdoor look.

### Choose spot lights
Make the most of your outdoor space with this spot light, perfect for lighting a wall or tree or for accentuating your pathways.

PHILIPS

### High quality material

This Philips lamp is made specifically for outdoor spaces. It's hard-wearing and built to last, so it will light up your garden night after night. It's constructed from high-quality die-cast aluminium and real glass.

### Philips bulb always included

High-quality Philips EcoLamp energy-efficient light bulbs are included in the box for achieving the best light effect.

### Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

### Powerful light

This outdoor lamp provides powerful warm white light. A bright pool of light to light up your garden or terrace.

### Weather-proof

This Philips outdoor lamp is specially designed for humid outdoor environments and has undergone rigorous tests to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This lamp is designed with IP44: it is protected against splashing water. This product is most common and ideal for general outdoor use.
