- Automatic shut-off after 60 min
- LED light tells you when the curler is ready to use
- Cool tip for easier and safer use
- Safety stand for easy use
- 1.8 m power cord
- Universal voltage

PHILIPS

Features

Vivid, bouncy curls

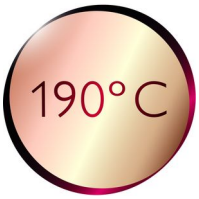

With the barrel diameter of 16 mm barrel you can create bouncy, full of life curls and ringlets for joyful and young look

Gentle on your hair

Protective ceramic coating ensures even heat distribution and less hair damage for shiny and soft hair.

190°C top temperature

Top temperature of 190°C guarantees optimal results, while minimizing hair damage.

Safe usage

Some hair straighteners and curling irons have been equipped with an automatic shut-off feature. This feature has been designed to provide peace of mind. If left on, the appliance will automatically switch off after 60 min.

Ready to use indicator

The LED light stops blinking when the curler has heated up and is ready to use.

Cool tip

The tip of the styler is made from a special heat insulating material to keep it cool; you can safely hold it while you're styling for optimal ease of use.
