- Energy saving
- Warm white light
- Long operating life of up to 15 years

Special characteristics

- On/off switch on cable

PHILIPS

Table lamp
Nister black, LED

431333026

Highlights

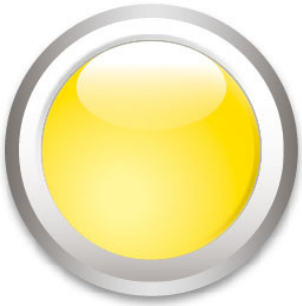
High quality LED light

The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

5-year warranty on LED system

On top of the standard 2-year warranty for this lamp, Philips offers a 5-year warranty on the LED system, meaning the LED module and the driver in this lamp.

Warm white light



Light can have different colour temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Long operating life

A light source you can trust. The integrated LEDs used in this Philips LED lamp will last up to 15,000 hours (which equals 15 years on the basis of an average use of 3 hours/day with at least 13,000 on/off switching cycles). It feels so good to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambience in your home.

On/off switch on cable

With the switch discreetly integrated into the cable, you can easily switch the lamp on and off.

Specifications

Design and finishing
- Material: aluminium
- Colour: black

Extra feature/accessory incl.
- On/off switch on wire
- LED integrated
- 5 year warranty on the LED module

Product dimensions and weight
- Height: 19.7 cm
- Length: 30 cm
- Width: 7.3 cm
- Net weight: 1.648 kg

Technical specifications
- Mains power: Range 220 V–240 V, 50-60 Hz
- Bulb technology: LED, Safety Extra Low Voltage
- Number of bulbs: 1
- Wattage bulb included: 3 W
- Light colour: warm white
- Lamp lifetime up to: 15,000 hrs
- Total lumen output fixture: 270 lm
- Fixture dimmable: No
- LED
- Built-in LED
- IP code: IP20, protection against objects bigger than 12.5 mm, no protection against water
- Class of protection: III — safe extra low voltage
- Light source equivalent to traditional bulb of: 26 W

Service
- Warranty: 2 year(s)

Packaging dimensions and weight
- Height: 30.8 cm
- Length: 20.3 cm
- Width: 8.1 cm
- Weight: 1.798 kg

Miscellaneous
- Especially designed for: Living Room and Bedroom
- Style: Contemporary
- Type: Table lamp
