Safe and easy way to a beautiful bikini line

Trim & style

Fed up with skin irritations, nicks and cuts? Keep your bikini line in perfect shape and enjoy flawless results with the Philips BikiniGenie trimmer. It's the safe and easy way to trim, shape and style the hair down there.

Precise trim
- Click-on comb included to trim hairs to 3 mm length.
- Bikini trimming head precisely trims down hairs to 0.5 mm.

Safe & effective
- Round teeth effectively cut hairs while protecting the skin.

Easy navigation
- Ergonomic design for easy navigation around the bikini area.

Convenient
- Use anytime, anywhere! In or outside the shower
- Battery powered for optimal portability.
- Pouch included to store everything in one place.
- Cleaning brush included for quick cleaning.

Highlights

Click-on trimming comb

Play with lengths! Click-on the trimming comb to the trimming head and precisely trim your hair to 3 mm length.

Bikini trimming head

For an even groomed look, the bikini trimming head trims down the hair to 0.5 mm.

Round trimming teeth

Rounded hair removal cutting teeth work their magic so you can safely and effectively trim your bikini line. No nicks or cuts.

Wet & dry use

Not necessarily to get your skin wet anymore. The trimmer is equally effective in both wet or dry conditions!

Portable

No need for charging cords! BikiniGenie is battery powered. AA batteries included.

Storage pouch

Attractive pouch so you can store everything in one place.

Cleaning brush

Quickly clean the trimmer and keep it hygienic with the cleaning brush included.

Ergonomic design

The clever ergonomic handle makes it possible to trim and style your bikini line with ease.
