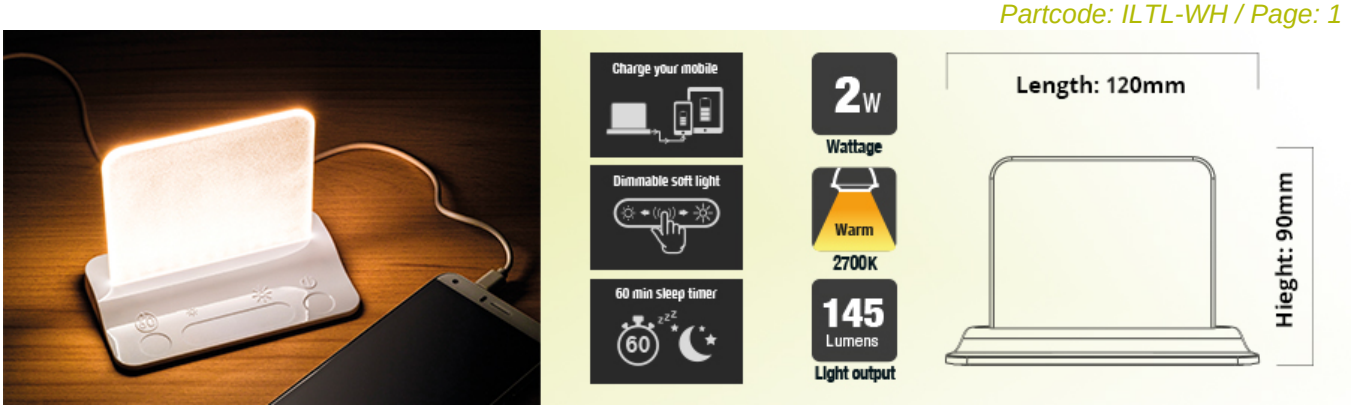
USB Table Light and pass-through charger (White)



The Integral LED USB Table Light is a compact and versatile light that is ideal for bedside units, night stands, sideboards and bedrooms. The unit features a USB socket, which allows it to be powered by a mains adaptor or by drawing power directly from a smart device. The Table Light includes a built-in USB output to charge devices such as smart phones and tablets.

The light is controlled by an intuitive capacitive touch interface and memorises the previous light setting to suit user preferences. A 60-minute timer is included, making the Table Light ideal for children who struggle to sleep in complete darkness, as the light will automatically turn itself off after an hour. The body of the Table Light is white in colour, stylish and compact. The base of the product uses anti-slip material to keep it stable during use.

Product Details

Partcode: ILTL-WH

Check Code: 316452

Market Segment: Residential indoor

Product Type: Night Light

Warranty: 3 Years

CE / RoHS: Yes

Physical Data

Base Colour: Matt white

Optic: Clear Refractor

Material: Polycarbonate (PC)

Construction: Injection Moulding

Product design and specification subject to change or modification without notice. Image for illustration only. E&OE

Physical Data

Length: 69mm

Width: 120mm

Weight (Unpackaged Single Unit): 90g

Lamp or Luminaire Shape: Square

Electrical Data

Power Consumption: 2.0 Watts

Input Current: <2.00A

Input Voltage: 5

Output Voltage: 5VDC

Electric Current: DC

Ampage: 400.00mA

Dimming: Touch-Dimmable

LVD Certified: Yes

EN: EN-60598

Light Data

Lumens: 145lm

Lumens per Watt: 73.0lm/W

Lighting Method: Edge-lit

Correlated Colour Temperature (CCT): 2,700k

Colour Temperature: Warm

Colour Rendering Index (CRI): >=80

Instant on - Less than 1 second: Yes

Lifetime: 30,000 hrs

Switching Cycles: >15,000 X

Product design and specification subject to change or modification without notice. Image for illustration only. E&OE

Environmental

Lowest Operating Temperature: 0 degrees

Maximum Operating Temperature: 40 degrees

IP (Ingress Protection) Rating: IP20

Hg 0% (Mercury Free): Yes

Packaging

EAN Barcode (unit of 1): 5055788231578

Packaged Weight (Unit of 1): 120g

Length (unit of 1): 119mm

Width (unit of 1): 70mm

Outer packaging info available on website
