Aluminum Central Stand Accessory

Position your TV to your liking

Give your TV a new look with the Philips PTS859 Central Stand. Our designer’s chose subtle, sophisticated colors and finishes, and combined them with authentic, quality materials like aluminum to create a stand design that matches your TV.

Benefits

Designed around you

• Brushed aluminum stand makes a timeless statement
• Modern design complements today's interior
• Freedom to place your TV wherever you want

Features

Brushed aluminum stand

A TV with presence. Because real metal makes a quality statement in your home, our designers used classic brushed aluminum for the stand to match the solid metal facing at the front of your TV.

Modern design

Designed with a contemporary look to blend with your d¨¦cor. Because your TV should look as beautiful off as it does on.

Free placemen

The swivel function on this central stand allows you to place the TV in the optimal position, offering you a truly relaxing viewing experience.
