Highlights

High quality LED light

The LED technology, integrated into this Philips lamp, is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your home.

5 year warranty on LED system

On top of the standard 2 year warranty for this lamp, Philips offers 5 year warranty on the LED system, meaning the LED module and the driver in this lamp.

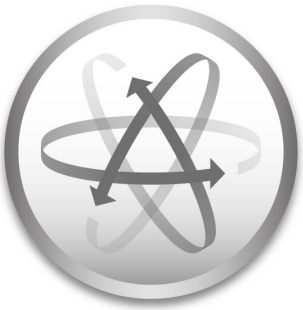
Cool white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips light offers cool white light that keeps you energised.

Energy saving

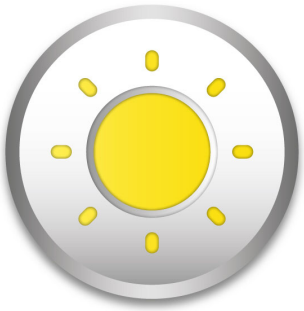
This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Flexible arm



Flexible arm

Maximum brightness



This Philips desk lamp is designed specifically for desk-based activities like doing homework or browsing the news on the laptop. When you switch it on it immediately provides just the right brightness for maximum comfort.

On/off switch on article

With the button discreetly integrated onto the lamp, you can easily switch the light on and off.

Perfect for task lighting

This Philips desk lamp casts bundled light that provides even illumination on the working area.
