Dock for iPod/iPhone

DCK3061/00

# Dock your iPod/iPhone

## for media playback from your home theatre

A compact Philips docking station DCK3061 designed to allow you to enjoy your multimedia iPod/iPhone content on your Philips Home Theatre and Audio Systems. Securely cradles and charges iPod/iPhone for your convenience.

### Benefits

#### Play your iPod/iPhone content out loud at home
• Play your music, videos and photos from your iPod/iPhone

#### Easy to use
• Dock iPod/iPhone in its case

#### Enjoy your music from multiple sources
• Play and charge your iPod/iPhone simultaneously

### Features

**Play your media (iPod/iPhone)**

PHILIPS

### Dock iPod/iPhone in its case

Smartly designed docking port on this docking station effortlessly accommodates any iPod or iPhone, without special adapters. What's more, it works even when most protective cases are on - just dock your iPod or iPhone as it is. Now you can truly have fuss-free enjoyment of your music.

### Play and charge your iPod/iPhone

Enjoy your favourite MP3 music while charging your iPod/iPhone! The dock lets you connect your portable device directly to the Docking entertainment system so you can listen to your favourite music in superb sound. It also charges your iPod/iPhone while it plays so you can enjoy your music and not have to worry about your portable player battery running out. The Docking entertainment system automatically charges your portable device while it is docked.
