

Wired Keyboard and Optical Mouse Set

Wired Keyboard and Wired Optical Mouse, Black
Part No.: 178464

A keyboard and mouse designed to improve your productivity

The Manhattan Wired Keyboard and Optical Mouse Set combines excellent value with comfort and durability. The Wired Keyboard offers a robust key structure, highly responsive keys, an easy-access command panel, and a full-sized numeric keypad that provide the immediate familiarity of the modern keyboard. When used in tandem with the included Wired Optical Mouse, with its standard buttons for left and right clicks as well as an easy-access scroll wheel, the accessibility that these two products bring to your computing experience becomes immediately apparent.

This productivity booster is smartly designed to work seamlessly with your current computing setup, so your comfort and enjoyment are assured. Whether navigating expansive spreadsheets, entering numeric data, or typing up reports, the Manhattan Wired Keyboard and Optical Mouse Set is the perfect replacement or complement to any computer setup.

Features:

- Sleekly styled 1000 dpi optical mouse
- Ergonomic keyboard layout with generous work area
- Plug and Play
- Three-year warranty
