mophie

juice pack air®

Slim, protective battery case with wireless charging.
Made for iPhone X.

UNIVERSAL WIRELESS CHARGING | 30 HOURS OF BATTERY*

EXTRA BATTERY
Rechargeable battery case provides up to 30 total hours of talk time with the push of a button.

Qi-ENABLED WIRELESS CHARGING
Works with Qi wireless charging systems like those available at coffee houses, in furniture and many new cars.

PRIORITY+® CHARGE & SYNC
Provides power to your iPhone first before the juice pack battery starts to recharge.

LOW-PROFILE DESIGN
The slim, lightweight design feels great in your hand and provides superior, edge-to-edge protection.

Key Selling Points

- The juice pack battery delivers enough power to extend the life of your iPhone X up to a total of 30 hours.
- Use the juice pack battery case with any mophie charge stream™ wireless accessory and enjoy effortless wireless charging at home or in any vehicle.
- High-impact protection features internal rubberized support pads inside a hard-shell case.
- Raised corners provide added protection against scratched and cracked screens.
- The thin, light-weight design is so comfortable in your hand, you'll forget it has a built-in battery.

Compatible with all mophie wireless accessories.
