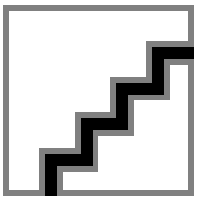
PHILIPS

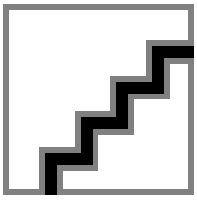
Features

Rapid air technology



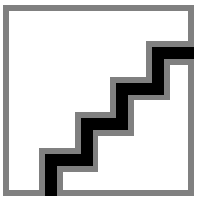
Airfryer's unique Rapid air technology enables you to fry, bake, roast and grill, the tastiest snacks and meals with less fat than a conventional fryer, by using little or no oil! Philips Airfryer with Rapid air technology also creates less smell than conventional fryers, it is easy to clean, safe and economical for your daily use!

Unique product design



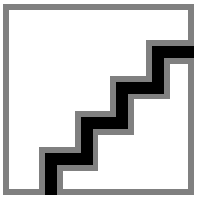
Philips Airfryer's unique design which combines fast circulating superheated air, starfish design and optimal heating profile allows you to fry a variety of delicious meals in a fast, easy and healthier way without necessarily adding oil.

Versatile cooking



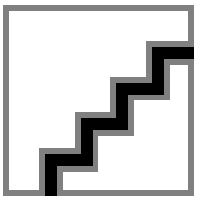
Not just great for frying, the innovative Philips Airfryer with Rapid Air technology also lets you grill, bake and even roast your favorite dishes for a one stop solution for all of your meals.

Variety cooking basket



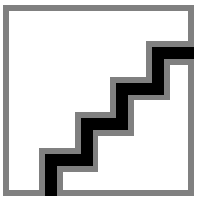
The unique variety cooking basket for your Airfryer has a innovative mesh bottom with non-stick coating which easily detaches for quick cleaning. The basket also comes with a splatter proof, multifunctional lid for even more recipes!

International recipe booklet



This recipe book created by culinary experts gives inspiration for a variety of low-fat fried food that you can cook in the Airfryer. It also introduces you to recipes that showcase the versatility of the appliance so that you can grill, bake and even roast food healthier, faster and more conveniently.

0.8kg cooking capacity

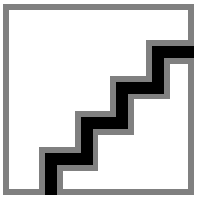


Digital user interface

Its integrated timer allows you to pre-set cooking times of up to 60 minutes. The auto-off function includes a "ready" sound indicator. The fully adjustable temperature control allows you to pre-set the best cooking temperature for your food up to 200 degrees. Enjoy crispy golden-brown fries, snacks, chicken, meat and more, all prepared at the right time and temperature for the best result!

Digital time and temp control

1400 W power



Dishwasher safe parts

The removable nonstick coated drawer and the variety cooking basket with non-stick coating and removable bottom as well as the splatter proof lid are dishwasher safe for easy cleaning. In addition, Philips Airfryer with Rapid Air Technology saves you and your home from the smell of fryed oil compared to a regular fryer.
